

GUIDELINES AND APPLICATION FOR OWLS HEAD GARDEN CLUB SCHOLARSHIP

History and Purpose:

The Owls Head Garden Club has established a scholarship program. The purpose of the program is to assist eligible residents of Owls Head, ME to obtain education beyond the high school level in the field of environmental science or related studies.

Eligibility:

Applicants receiving a scholarship must be residents of Owls Head, ME. They must be pursuing or planning to pursue an environmentally related course of study at the post secondary level at public or private colleges, universities, vocational or professional schools in any of the following areas: horticulture, floriculture, landscape design, conservation, wildlife science, forestry, botany, biology, agronomy, plant pathology, environmental control, city planning, architecture, engineering, land management or allied subjects. The education may be part or full time.

The recipient must demonstrate:

1. Good character
2. Good citizenship
3. Goals for the future in environmental areas

Deadline: The application must be completed and received by May 1, 2009 to be considered and must include the following:

____ Completed application

____ Transcript

____ Letter from one of the following:

Current high school guidance director or college advisor

Teacher regarding applicant's general character and achievements
